Smile time

After their baby was born, the panicked father went to see the obstetrician. "Doctor," the man said, "I don't mind telling you, but I'm a little upset because my daughter has red hair. She can't possibly be mine!!"

"Nonsense," the doctor said. "Even though you and your wife both have black hair, one of your ancestors may have contributed red hair to the gene pool."

"It's isn't possible," the man insisted. "This just can't be. Our families on both sides had jet-black hair for generations."

"Well," said the doctor, "let me ask you this. How often do you have sex?"

The man seemed a bit ashamed. "That's a little personal Doc, but the truth is that I've been working very long hours for the past year. We've only made love once or twice every few months."

"Well, there you have it," the doctor proclaimed confidently.

"It's rust!"

Paul Harris honorees. New Paul Harris Fellows **Sherri Thurman** (second from left) and **Keith Stone** (second from right) pose with District 6060 Governor **Jerry Weems**, center; **David Agne**, Rotary Foundation chairman; and **Donna-Marie Pierre**, club president. Governor Weems introduced the new Fellows and presented their awards and medallions in ceremonies at the Aug. 11 meeting.

Club to consider adopting part of road

The Board of Directors voted Aug. 12 to recommend that the club adopt a section of West Meyer Road near Rotary Park as part of the Wentzville Adopt-A-Street Program.

As part of the agreement, Rotarians will pick up litter once a quarter in March, June, September, and December. The club and its volunteers will need to sign hold harmless agreements with the city and must be trained on safety procedures prior to each cycle of work.

The city will provide the trash bags and pick them up when filled and also will provide reflective vests and gloves. A sign will be erected along the roadway recognizing the club's participation.

Community Service Chairman **Dianna Wright** brought the recommendation to the Board.

Christmas Banquet moved to Tuesday night

The Board of Directors has moved to hold the annual Christmas Banquet on Tuesday night, Dec. 8, in place of the noon meeting that day. The Banquet will be held at the Bear Creek Clubhouse, but away from the busy December weekends. No dance band this year.

County Fair was fun, but we didn't make money

Rotarians created good will and had some fun with the popcorn sales at the County Fair, but will not make money on the event, chairman **Ed Hajek** told the Board of Directors last week. If the club votes to participate next year, Ed said he would stress with the Fair Board our need to have a booth in the main food serving area.

Work days continue to price items for the sale

Chairmen **Lloyd Hackbarth** and **Ray Ungemach** remind all that volunteers are needed to price items for the Community Sale, slated Sept. 24-26, five weeks from now.

The work hours: Tuesdays, 2 to 4 p.m.; Wednesdays, 6 to 8 p.m.; and Saturdays, 9 a.m. to noon; at the Medical Building, St. Joseph Wentzville campus.
